PROMO TABLE

Set-up Instruction

Plastic promotional table is light-weight, easy to transport and quick to set-up. "Promo" table is an ideal greeting counter or workstation during the degustation or new products presentations.

Product Information

|	
Graphic size (mm)	
In the top	**320 x 780**
In the bottom	**1860 x 850**
Packaged weight	**12Kg,**
Material	**plastic**

1

Fold out the base unit, with the legs on the floor. Wrap the flexible unit around the shelf unit. Click and lock the shelf in place.
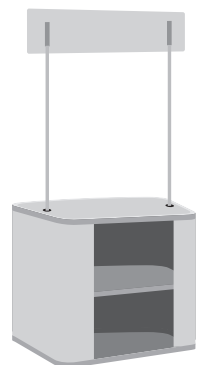

2

With the base unit and shelf assembled, place the lid over the lip of the unit. Insert poles into the holes in the lid and secure into the bottom shelf.

3

Put the header graphic into the header panel as shown.

4

The table is ready
